INTRODUCTION

This volume is one of a set of three in which September 1987 enrolment by school and grade is reported within board, within county, district, regional or district municipality, and within education region. There is one volume for public elementary schools, one for Roman Catholic elementary schools, and one for secondary schools (Public and Roman Catholic).

This edition of Roman Catholic elementary schools contains only the schools that offer instruction from Junior Kindergarten to Grade 8. Starting with the 1985-86 school year, Roman Catholic schools that have grades 9 and above are classified as secondary. Data on these schools are published in the volume for secondary schools.

In this publication, enrolment is reported within the county or district in which a school is situated. A list of the boards that straddle county and/or region boundaries is given below. To obtain a board total, it is necessary to combine the entries for each municipality in which the board is located.

Le présent document fait partie d'une série de trois volumes dans lesquels l'effectif scolaire de septembre 1987 par école et par année d'études est publié par conseil scolaire, comté, district, municipalité régionale ou de district, et région. Un volume est consacré aux écoles élémentaires publiques, un autre aux écoles élémentaires catholiques et un dernier, finalement, aux écoles secondaires (publiques et catholiques).

Dans la présente édition, les écoles élémentaires catholiques ne comprennent que les écoles qui dispensent l'enseignement de la maternelle à la 8ième année. A partir de l'année scolaire 1985-1986, les écoles catholiques qui ont des classes de 9ième et plus sont considérées comme des écoles secondaires. On trouvera des données à leur sujet dans le volume consacré aux écoles secondaires.

L'effectif est présenté dans le document en fonction du comté ou du district où se situe une école. Une liste des conseils scolaires qui chevauchent les limites de comtés ou de régions est donnée ci-dessous. Pour calculer l'effectif total d'un conseil scolaire, il suffit de combiner l'effectif de chaque municipalité où le conseil a des écoles.
